REBOOT

Switch On to the New Era

This isn't just a party, it's a declaration. As FAS once again turns another chapter, this year-end event marks the beginning of a bold new era. The tagline "Switch On to the New Era," draws directly from FAS' core which is automotive parts, symbolizing the moment we flip the switch toward innovation, reinvention, and a brighter future. Because in today's fast-moving world, staying still means falling behind. To sustain growth, we must evolve, and this event is the start button.

ICONIC REBOOT: ULTIMATE Y2K SHOWDOWN

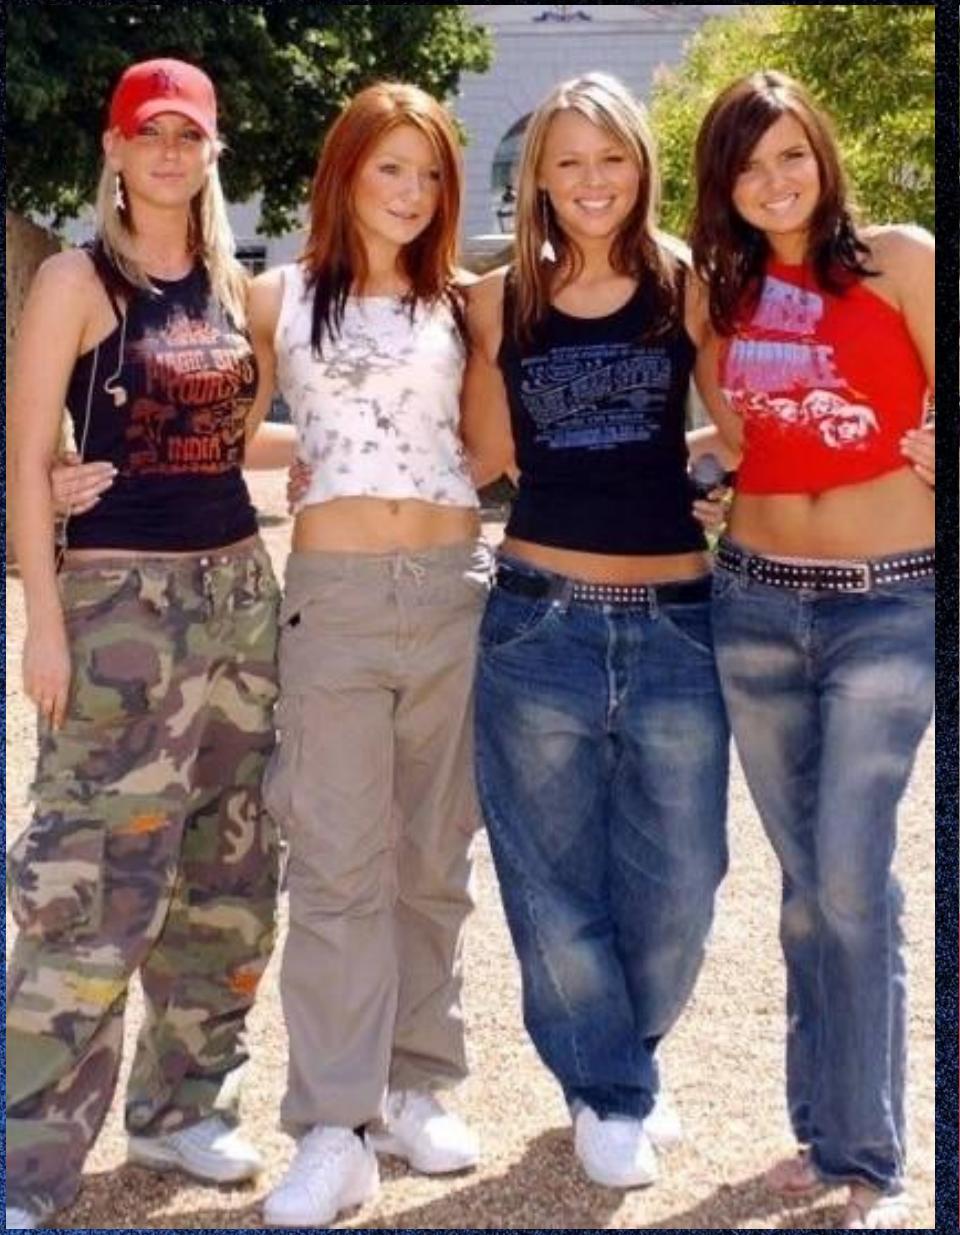

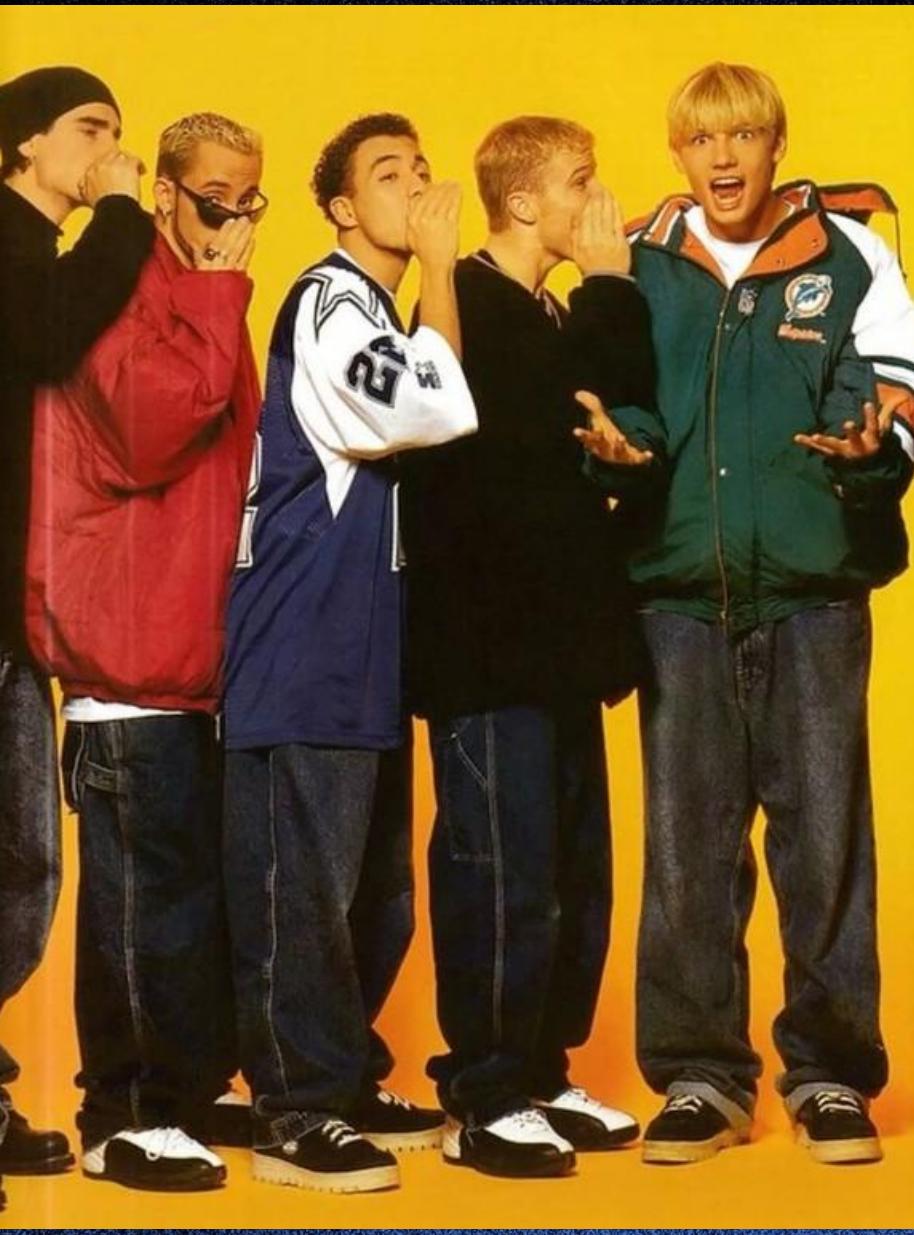

- Employees will perform an iconic song from the legendary artists of the 2000s from solo artists up to popular boy band or girl group which will allow them to embrace their inner pop stars.
- Each group must mash up two Y2K icons—creating a hybrid performance that blends styles, songs, and personas.
- They must combine elements from both artists: from vocals: mash up two hit songs. Fashion: Mix signature styles (e.g., rock meets hip-hop), and choreography: blend dance styles or stage personas
